Matematički fakultet, Univerzitet u Beogradu, Srbija

ARGO seminar  
Beograd, 12.05.2010.

## Plan izlaganja

- Konferencija CADGME
- Konferencija AD+GG
- Konferencija ADG
- Članak "The Area Method - A Recapitulation"

# CADGME 2009

- Computer Algebra and Dynamic Geometry Systems in Mathematics Education
- RISC, Castle of Hagenberg, Austria, July 11-13, 2009.
- <http://www.risc.jku.at/about/conferences/cadgme2009/>

# Tracks

- Dynamic Experiments and Interactive Modeling in the Classroom
- Future Trends in Interactive Geometry
- Interactive Geometry for Europe
- Convergence on Mathematics Assistants

# Projekat i2g (intergeo)

- Interoperable Interactive Geometry for Europe
- Interchange format i2g
- <http://i2geo.net/>

# CADGME 2010

- Computer Algebra and Dynamic Geometry Systems in Mathematics Education
- Hluboká nad Vltavou, Czech Republic, June 29-July 1, 2010.
- <http://home.pf.jcu.cz/~cadgme2010/>

# AD+GG 2010

- Automated Deduction and GeoGebra
- Castro Urdiales, Spain, February 08-09, 2010.
- <http://www.ciem.unican.es/proving2010>

# ADG 2010

- Automated Deduction in Geometry
- Munich, July 22-24, 2010.
- <https://lsiit-cnrs.unistra.fr/adg2010/>

# "The Area Method - A Recapitulation"

- Članak "The Area Method - A Recapitulation"
- Autori
  - Predrag Janičić
  - Julien Narboux
  - Pedro Quaresma
